

Recital Packing Info 2024

Below is a list for each class of what they need to bring to the dress rehearsal and the recital, and how they will need to wear their hair for both days. **Hair and make-up should be done before arriving at the hall. (you may want to practice beforehand)**

Suggested make-up products at different price points are linked below. Those prone to allergies may want to go for the medium/higher price points, as they are less likely to be allergenic.

HAIR:

Everyone:

- Please do hair before coming to the hall - we will not be doing hair and have not allowed time in the schedule for it.
- **Try to use hair ties, pins, clips, bun nets etc that match hair and avoid bright colours - and no scrunchies!**
- If you have a fringe, please clip it to the side
- The hair needs to last a long time and through a lot of activity, so if necessary, please use plenty of hairspray/gel and clips!
- It's a good idea to bring some extra clips and pins with you
- Hair is often easier to style when it isn't freshly washed - if possible, try washing on Friday morning/afternoon rather than Saturday morning.
- For sleek hair, it might help to dampen it a little before styling.
- If hair is too short for the class hairstyle, neatly brush away from the face & spray in place.

Me & My Buddy: High Ponytail (with braid if long enough)

Primary Dance, Ballet 1,2 & 3: Low Pigtails, placed behind and below the ears.
or if too short a Braided Headband (you can use your own hair or you can often buy braided headbands at shops like look sharp, just \$2 etc)

Level 6 & 9 Ballet & Jazz: Centre part, low bun:
